

A golden door handle is the central focus, set against a vibrant blue background. The background is filled with abstract, flowing lines that create a sense of movement and depth. The handle is highly reflective, showing highlights and shadows that emphasize its metallic texture and curved design.

Cottali

La ditta Cottali è stata fondata nel 1974 ed è cresciuta al passo con i tempi in maniera graduale e costante. Ha indirizzato la propria produzione soprattutto all'estero, adattandola alle esigenze dei trenta mercati in cui opera. Un'evoluzione tecnologica costante le consente di seguire con attenzione le necessità di tutta la clientela, con la quale, anche per quanto riguarda il mercato italiano, ha instaurato rapporti di reciproca correttezza e fiducia.

1974 gegründet, im Laufe der Zeit gewachsen: langsam, aber fortwährend. Sie hat ihre Produktion insbesondere auf den Export ausgerichtet und ist heute in über 30 Ländern vertreten. Die permanente technische Fortbildung erlaubt ihr, der Tendenz des Marktes zu folgen und die hervorragenden Beziehungen zu den Kunden geben ihr die notwendige Gelassenheit, die Entwicklung fortzusetzen.

Fondée en 1974 elle est grande avec les temps, lentement, mais constamment. Elle a axé sa production essentiellement à l'exportation en l'adaptant aux besoins de chacun des 30 pays pour qui elle travaille. Une évolution technologique constante lui permet de coller au marché et d'avoir un rendement optimal, ce qui donne à ses partenaires la sérénité nécessaire pour faire face au marché du demain.

A N N I D I **37** E S P E R I E N Z A

The company was founded in 1974. From then on it grew slowly but constantly, keeping in step with the times. It addressed its production mainly towards foreign countries and is today regularly present in over 30 nations. The constant technological renovation of the company enables it to prosper in the market and the excellent relation with the clientele give the necessary tranquillity to continue the growth.

Empresa fundada en 1974, ha ido creciendo en el tiempo de una forma constante. Hemos orientado nuestra producción hacia el extranjero por lo que hoy somos una realidad en más de 30 países. Mantenerse al día en las últimas tecnologías nos permite seguir en un mercado muy competitivo y mantener unas buenas relaciones con los clientes, que en definitiva nos da tranquilidad y nos permite un desarrollo óptimo.
